

Smart Moves
Parents/Guardian Notice and Consent Form

Smart Moves is the Boys & Girls Clubs of America's nationally acclaimed prevention program educating youths about alcohol, tobacco, other drugs, teen sexual involvement and HIV/AIDS. Please keep in mind that our programs do the following:

- Only discuss topics that are relevant to your child's stage of development. For example, we will not discuss the risks of early sexual involvement with 7-year-olds.
- Only teaches the facts about alcohol, tobacco and other drugs and the risks of teen sexual involvement and HIV/AIDS. We do not discuss our personal theories or beliefs.
- Teaches kids how to avoid negative peer pressure (refusal skills training).
- Does not advocate birth control or talk about abortion.

In addition, because of grant funding requirements for the *Smart Moves* program, it may be necessary that we administer pre- and post-tests, an anonymous questionnaire about a child's personal background, and, in some case, keep progress notes on participants. These items may be necessary in order for our funding sources to evaluate the success of our program. Naturally, all of the above information will be kept strictly confidential.

If you have any questions about the Smart Moves curriculum and how your child will be involved or have any suggestions or concerns, please contact the Unit Director.
